Most Respected Sir Madi,

After having studied your views along with those of your colleagues with regard to the formation of Swatantra Party we the undersigned fervently feel that the interests of our great country can best be served by your party.

Being disinterested seekers after justice, freepay, freedom of work and organisation suiting to our traditional ways, we disapassionately come to bring to your notice that we are in full agreement with what you say and propose to form a youth forum of Swatantra Party as a preliminary step in the direction of establishing Swatantra Party here.

As a first step we have decided to form immediately the above forum in the students community of Allahabad in general and Allahabad University in particular and then extend to the whole of U.P.

We seek your approval blessings in our endeavour.

Sincerely yours,
