My dear Mr Masani:

As I have already intimated to you, our Motion of No-Confidence which was tabled on Tuesday has secured ~~the~~ first position. No-Confidence motions have also been tabled by Mr S.M. Banerjee, Mr Hembarua on behalf of PSP, Parkash Vir Shastri and also a few Jan Sangh members.

Prof. Ranga is of the view that instead of pressing our Motion to the vote of the House, we better ask for a separate discussion on the question of Government's failure on the economic front. Without the support of our members other motions are sure to be disallowed for want of 50 votes required under the Rules. I have conveyed to Mr Dandaker also Prof. Ranga's feelings. Mr Dandaker must have discussed this question with Prof. Ranga this morning.

On Prof. Ranga's advice, we have fixed our Party meeting on Monday morning for which the notice has already been circulated to all our members.

As desired by you in your letter of 9th August, I am issuing a whip to all our members asking them to be present in the Lok Sabha on the morning of the 16th when our Motion of No-Confidence is likely to be put to the vote of the House, if so pressed by our party.

With best regards,

Yours sincerely
