My dear Jain,

Will you kindly issue notices to all our M.Ps at their home addresses for the meeting of the Members of our Parliamentary group in both houses at 3:00 p.m. on Sunday 15th August? The agenda will be to discuss the business coming up before both houses of Parliament.

2. Insofar as the place of meeting is concerned, the best would be the lounge in Western Court, if you can manage to book it in Professor Ranga's name. In that case you could add in the notice that Prof. Ranga and I would be At Home to members after the meeting and order the necessary tea and eats. If this is not possible, the alternative would be our usual place of meeting in the Committee room in the Central Hall of Parliament.

3. We had at one time thought of a meeting of the Parliamentary Sub-Committee of four in Madras on Sunday 15th, but this has been cancelled owing to the inability of Mr. R. N. Singh Deo to come to Madras.

I am informing Prof. Ranga that I ^{have} asked you to issue these notices. I shall be reaching Delhi on Saturday evening or Sunday morning.

Yours sincerely,

M R
(M. R. Masani)
