AIR MAIL

My dear Kalahandi:

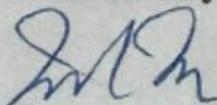

I have received your letter of 20th July. As desired I am writing at the same time as this about your visit to London and New York to two good friends there who should be helpful to you and who are staunch Liberals, having some background and knowledge of the Swatantra Party. The first is Mr. Vernon Dawson, Secretary-General of the Liberal International in London, 45, Whitehall, London S.W. 1 (Telephone Whitehall 9533). I suggest that you contact him. I am sure he will be able to help you and tell you a little about the Liberal International and perhaps introduce you to one or two interesting people.

The second person is my friend, Arnold Beichmann, who is a journalist and writer connected with the AFL-CIO. His address in New York is: 20 West, 84th Street, New York. When you reach New York, do please contact him.

I trust you will have a most interesting and stimulating journey round the world. You are very lucky to have the opportunity.

My regards to Y.N. Singh and yourself.

Yours sincerely
