My dear Mr. Masani,

It is only this morning ^{that} I received your Express Telegram of 28th July. Regarding our No-confidence Motion I received a letter from Mr. Dandekar on Monday and the same day I sent a reply to him. A copy of my letter was also sent to you. I am sure you must have received that by now. As detailed in my letter no motion is admissible under the new Rules before the first day's business list is circulated. I have therefore requested Mr. Dandekar to send me a fresh motion so that it is tabled by me immediately on receipt of the Business list. I shall try my level best to ensure that our motion gets the first priority.

With best regards.

Yours sincerely,

(A.P. Jain)
