For the kind attention of Mr. P.K.Patnaik

Dear Sir,

With reference to the amendment to the President's Address tabled in the name of myself and others in List 2 circulated this morning, may I point out that the whole of paragraph (b) of the amendment tabled by us (copy attached) has been left out? May I request that this amendment be reduplicated and circulated with this paragraph restored which we consider to be of considerable importance.

May I also point out that if possible all clauses beyond this contained in the attached amendment may please be dropped as they do not form part of the amendment tabled by our group?

Yours faithfully,
