My dear Mr. Masani,

Sardar Kapur Singh, M.P., says that he has something very urgent to discuss with you regarding Punjab politics. Can you indicate the likely date of your arrival here, in case you are coming before the Session?

I am enclosing herewith a copy of the letter which Mr. Solanki has written to me regarding his arrears of contribution. He has to take Rs. 200/- from Michael. He wants this amount to be deducted from his arrears. If Michael has not paid his rent I do not know how can I be blamed for that.

With kind regards,

Yours sincerely,

(A. E. Jain)

Dear Jain,

I came to Delhi. I request you that you ask Michel to clear out. He owes me Rs. 200, and more and more is being added. When he came to stay, it was YOU who took the responsibility to deduct money from his salary, you did not do so. Now you claim Rs. 475 from me for Party.

The least you can do is to ask Michel to clear out, or I will bring the issue before Mr. Masani. This shows that no one in this world should be kind or helpful. Please do something
S. Solanki
