My dear Mr. Masani,

Sardar Kapur Singh, Mr. P.K. Deo, Mr. Loknath Misra and myself met Dr. Rozansky of the Liberal Party of Israel last evening in Claridges. We talked with him about our Party and what we have been doing to propagate the policies and programmes of our Party inside and outside Parliament. He is likely to meet workers of our Party from Delhi on Monday evening where also I am likely to be present. I have given him a complete set of our Party's publications which he wanted for his personal record.

I have also received your letter of 19th January suggesting a meeting of our Party immediately after the President's address on the 17th February. Prof. Ranga has gone to Trivandrum and he is coming back on 24th night when I shall have his formal O.K. for the meeting and then issue notices to all our Members as suggested by you.

With best regards,

Yours sincerely,

(A.P. Jain)
