Dear Friends,

Members may have received an invitation to attend "National Democratic Convention" to be held in Delhi on November 29th and 30th, 1964.

While Members are perfectly free to decide whether or not to attend this function, our Leader and Deputy Leader are of the view that considering the composition of the Steering Committee and the contents of the statement circulated with the invitation, it would not be very desirable for Members of our Party to associate with this move. This view is being conveyed to you for your information and consideration.

Yours sincerely,

(KAPUR SINGH)
Secretary.
