My dear Mr. Masani,

As desired by you in your letter of 27th October, 1964, I shall gather the necessary information concerning the members of our Parliamentary Group as regards their age, educational qualifications, religion, caste and vocation. It will definitely be ready by the time you come to Delhi for the next Session of Parliament.

The Car rampage story, which has been published in 'March of the Nation' of 27th September, the cutting of which you have sent to me, was written by me. It was also referred in the Lok Sabha by Mr. Prakash Vir Shastri. The two boys involved in the car theft are Mrs. Indira Gandhi's younger son and the second one is of Mr. Yunis, Joint Secretary in the Ministry of External Affairs. It happened on 16th May and because of the persons involved, the case was closed by the Police on 26th May without taking any action against the boys concerned. Because of the publicity it got in the press later on, the case, I understand, has been reopened and Home Minister Nanda is personally taking interest in the matter.

→ I have also tabled a question on the subject.

With kindest regards,

Yours sincerely,

(A.P. Jain)
