My dear Jain,

I have your letter of the 23rd and I am returning herewith a notice of moving a resolution duly signed.

I am so sorry that it was not possible to persuade those concerned to agree to a second participant in the Istanbul Seminar. We shall therefore wait for another opportunity.

A research worker in Germany wishes to have some data about members of the Party in the Lok Sabha covering the following items:- age, education, religion, caste and vocation. If you could kindly get these ready by the time I come up to Delhi on 15th ~~16~~ could despatch it to Germany.

Yours sincerely,

(M.R. Masani)
