My dear B. P.,

You Yashpal Singh has resigned from the Party and has joined the S.S.P. Every effort was made to give him a seat which would appeal to him including one on the third bench but he insisted on staying on the second bench. This was not possible as that seat had been allotted to Mr. P. K. Deo by the Parliamentary Group. The minutes of the second meeting where this matter came up and a copy of the letter sent to him are enclosed. This is just in case he tries to catch for sympathy by mis-stating the facts to you and your colleagues.

Now that he has gone, it is perhaps just as well as he was a constant embarrassment to us.

Yours sincerely,

(M. R. Masani)
