To
The Secretaries,
Swatantra Party Parliamentary Group,
New Delhi.

Dear Friends,

As it is just possible that some members of Parliament may wish to join our Party or that one of those who have resigned from the Party or applied for membership elsewhere may wish to return to the Party, I am dropping you this line to recall the correct procedure to be followed in this connection.

The Parliamentary Board of the Party has decided that applications for membership of our group in Parliament should be forwarded to the Central Office for placing before the Board along with recommendations of the Executive Committee of the Group. No action should be taken until the Board's approval is given.

Yours truly,

(M. R. Masani)
General Secretary
Swatantra Party.
