My dear Shri Masani,

I received your letter dated the 24th June 1964 a few days ago. The letter had to travel to Kashmir before it was redirected to me in Delhi. Hence the delay in replying this letter.

I had written to you another letter in the last week of June 1964 from Srinagar, which I hope you have received. I shall be glad if you care to let me have your reaction to it.

I am afraid, I am still not in a position to indicate anything specific with regard to my future course of action, except my continuance as an independent member of Parliament. I am, however, thankful to you for the regard and consideration you have extended to me.

Yours sincerely,

L. M. Singhvi
