My Dear Masani Sahab,

I was pained to hear that you were not successful this time in your election of Lok Sabha.

You must not mind as such ups and downs are always present in the political field.

We earnestly hope that you will do your best for the betterment of our Country.

Our Hospital is progressing well and fortunately we have got one good lady doctor and one male doctor.

Please do try to come here and see our hospital.

Thanking you

Yours sincerely,
Suresh Singh
