Dear Sirs,

Kindly refer to your letter No. N/1984 of 11th April. I understand from Mr. A.P.Jain of the Swatantra Party Parliamentary Office that at last he has been able to get the Treasurer to sign the relevant cheque in full payment of your dues. *to send it to you*

If by any chance you still find that there are arrears which continue to remain unpaid, you are welcome to stop supplies of newspapers and journals unless your bills are regularly met.

I am sorry for the inconvenience caused to you.

Yours faithfully,

(M. R. MASANI)

Dear Sirs,

Kindly refer to a series of correspondence that we had with you in connection with the payment of our bills. In spite of your assurance, the payment of our bills has not been received by us as yet. We have made it clear more than once that it is not possible for us to continue the supplies of the newspapers indefinitely. You will appreciate we also have to make payments to the publishers from whom we get our supplies and unless we pay them from month to month, it is not possible for us to get such supplies.

We do hope that you appreciate our position and will arrange payment of our bills by 25th of April positively failing which it may not be possible for us at all to continue further supplies.

We hope you will not compel us to take this unpleasant step.

Yours faithfully,
for Central News Agency
