Dear Ayesha,

I have just received your cable of the 21st. Ranga showed me your letter to him. It will be perfectly in order if you arrive here on the 2nd or thereabouts.

What a pity that I shall miss seeing you during the rest of the session. I have to fly to Zurich for a meeting of the Liberal International from Bombay on the morning of the 2nd and I shall then be in the United States for a month returning home by the end of October. Any way it is just as well that at least one of us will be in Parliament this session at a time!

Yours sincerely,
