My dear Jain,

Thank you for your letter of 27th July along with the draft questions re: Central Government Employees.

I have found it necessary to revise them and am, therefore, sending them on typed paper but in proper form. I am sure the Secretariat will accept them notwithstanding the fact that they are not on printed forms, otherwise you may have them ~~printed~~ on proper forms and sent to me for signature. ~~Please also send me some blank question forms for other uses.~~

As I plan to leave Delhi to go abroad, it is important that notice be given early to enable the questions to reach before the end of the month.

Yours sincerely,

Encl:
