Thiru S.V. Raju,
148, Mahatma Gandhi Road,
BOMBAY-1.

My dear Raju,

Thanks for your very kind letter dated December 29, received at this end today and also the clipping which I have already seen at Madras.

It is really very interesting to read your article under the caption 'The Notional Alternative'. I never knew that they went that far to scuttle the party.

Nobody in Madras who met me, also told me all these things. However I am glad you exposed the whole affairs.

At present I am very weak and have lost 22 pounds during my detention. I am just taking treatment and rest. When I fully recover I intend to go to Delhi and return via Bombay, when I shall certainly call on you.

With kindest regards,

Yours sincerely,

(S.S. MARISWAMY)
