My dear Raju,

I hope you received my letters dated 22nd and 26th November, 1976 and that you would have met the Tax Recovery Officer and conveyed the facts to him. Kindly let me know his reaction and oblige.

I would also like to know from the present thinking of Mr. Piloo Mody and the steps, if any, that the BLD and the other opposition parties may take in the near future.

Kindly convey my compliments to our colleagues and oblige.

With my regards,

Yours truly,
