Dear Ramesh,

This refers to the talk we had recently regarding your claim of outstanding dues from the Swatantra Party National Headquarters. You will recall that earlier we had discussed this matter more than once and I had mentioned at that time that the Hon. Treasurer declined to entertain your claim.

In any event with the Swatantra Party National Headquarters no longer in existence and the relevant papers not being available the question of making any payment is ruled out.

With kind regards,

Yours sincerely,

(S. V. Raju)
