My dear Raju,

Mr. G.K. Sundaram was here yesterday and after discussing the 44th Constitution Amendment Bill we have decided to constitute a panel of lawyers of our party to study the bill and submit a report. This report will be considered by a special conference of our Party to be held on 9th October 1976 in Madras, most probably in Srinivasa Sastri Hall or R.R. Sabha, as may be necessary. I request you to kindly let me know your detailed views on the Constitution Amendment Bill sufficiently in advance and participate in the conference with as many friends as possible from Bombay. We have requested Mr. Girish Munshi and Mr. Harihar Patel to serve on the panel of lawyers. If you have any other party lawyer in view, please give me his address so that I may also include him in the panel.

Thanking you and with my regards,

Yours truly,
