My dear Raju,

I hope you have duly received my letter dated 22nd July 1976 regarding printing of CHANAKYAN partly in English and mostly in Tamil. Were you able to discuss this matter with Bombay friends and able to take any decisions?

Kindly let me know so that I can pursue this matter with our President, Mr.G.K.Sundaram. As I have already told you, Mr.Sundaram is willing to arrange for meeting the additional expenditure in adding two more pages to Chanakyan in English but the material for these two pages has to be provided by us by collecting and transmitting news of party activities to Chanakyan.

Thanking you and with my regards,

Yours truly,

(V.S.Srikumar)
Jt.Secretary.
