My dear Raju,

Many thanks for your two letters and the draft letter enclosed thereto. Mr. Munshi's letter did not reach me at all but I had a telegram from him yesterday suggesting Sunday the 19th instant for a meeting. I spoke to Mr. G.K. Sundaram and ^{I was told that} he has an engagement at Coimbatore with Mr. M.V. Arunachalam both on the 18th and 19th instant. Tamilnad workers and the Executive committee and the General Council are meeting in Sirkali in Tanjore district on the 26th and 27th inst. Hence I have telegraphically requested Mr. Munshi to have the meeting in Bombay in the first fortnight of July. Subsequently I spoke to Mr. G.K. Sundaram this morning. He told me that the 11th July will be convenient to him. If the meeting is fixed for 11th July it will be possible for us to give sufficient notice to all our friends and persuade them to attend this important meeting.

I hope Mr. Masani has seen my letter dated 28th May and that he will be available for consultation if ^{is} our meeting to take place on the 10th or 11th June 1976. Kindly let me know his programme and oblige.

Thanking you once again and with my regards,

Yours truly,

(V.S. Sri Kumar)
Jt. Secretary.
