Dear Mr. Rogie,
I hope, you still remember
my manuscript. As I explained to
you on our last meeting, ~~the~~ I depend
upon you & Nasani to fill up
the huge gaps in my story. Both of
you are in a much better position
to do so than anyone else.

I have started revising the copy
with me. It needs a number of
corrections as well as a good
deal of elaboration here & there.

The language is too compressed,
more suitable for a thesis than a
historical survey.

Give my regards to Nasani, when
are you likely to come to Delhi again?
Best wishes,

Yours Sincerely
H.R. Pasricha
