My dear Raju,

Many thanks for sending me a copy of your letter addressed to our President, Mr.G.K.Sundaram. I entirely agree with your suggestion. I have written to Mr.Sundaram at least three times stressing the same suggestion and when I met him last time at Madras he was inclined to agree. Of course money is a big problem. Any how we have to find the money for Mr.Harihar Patel to tour U.P a little more intensively and visit at least a dozen places and then address ~~xxxxxxx~~ the workers at a central place and form ^{an} ad hoc committee for U.P. I believe setting up of ad hoc committees in Rajasthan, Gujarat, Delhi, Kerala and Karnataka has to be done immediately, so that we will be able to tell the Election Commission that the party is functioning in several states. We may have to do something for Hariyana, Punjab, Madhya Pradesh and Bihar a little later. I am on the look-out for proper men in Andhra Pradesh. In view of the Election Commission's order we have to rush through the whole programme and be ready with facts and figures before the hearing of our case either in one of the High courts of Madras or Delhi or before the Election Commission itself. I am consulting some of the lawyers here. ~~The~~ decision will be taken within a day or two.

Thanking you once again and with my regards,

Yours truly,

(V.S.Srikumar)
Joint Secretary.
