Respected Jayprakashji,

History grants few men the vision, ability and opportunity to lead movements.

In the past Gandhian era, Shri. Rajaji began his movement against despotism, corruption and fear. You are continuing the work of Shri. Rajaji and in this behalf, all the Swatantra Party people are with you.

You must have known that a Resolution was passed by the Swatantra Party at its General Council meeting in Madras on 8th December 1974 extending its full support to your movement.

I understand from newspapers as well as from Mr. M.R. Masani that you are visiting Bombay between 21st and 26th January 1975. My colleagues amongst whom is Shri. Parmanandji Kejriwal whom you know, and I would like to meet you during your stay in Bombay to seek your advice as to how we can be of use to you in your movement. I shall thank you to kindly let me know if you can spare some time for us and if so when and where.

Thanking you and with respectful regards,

Yours sincerely
