My dear

Dear Mr. Choudhary,

I received your letter of 2nd April and was sorry to read about how you feel, but this kind of depression is common to all public workers who are worth anything in India today.

In order to give you an inkling of my thinking on the subject, I enclose, a copy of my remarks at a recent meeting of the Swatantra Party in Bombay. You will see that, whilst I am a short term pessimist, I am a long term optimist.

I enclose a copy of the current issue of Freedom First, a little monthly of which I have taken over the editorship, since January this year. If you feel like subscribing to this journal, please fill in the form on page 16, and return it to me. It will give you a chance to keep in touch and reading what I have to say, from month to month.

I shall be glad if you will keep in touch from time to time, so that we do not lose contact altogether.

With kindest regards and best wishes to you,

Yours sincerely,

M.R. Masani
