My dear Minoo,

Your letter dated March 15th was received here on 20th and I am sorry that I could not reply to same earlier.

Dear Minoo, we have done nothing for you that you thank so much. It was such a pleasure to have you at our place whenever we were in Rajkot and we are so unhappy that we would not be able to have you here at regular intervals. I wish you would continue to come here whenever you can spare the time at least for a day or two every month, - failing at least every two months and we both do hope that you would kindly do so and - consider our place as your own home.

With regards,

Yours very affectionately,

F. P. Wadia.
