My dear Shri Masani,

I have received a letter from Acharya Ranga stating that he has resigned from the Swatantra and approves the policies of Smt. Gandhi.

I have heard the rumour that your goodself is also joining the Congress (R).

If you are thinking like that please let me know so that I may also reconsider my political stand.

It will be better if the Swatantra party is gracefully wound up. This trickle to the Congress is shocking.

Kind regards,

Yours sincerely
N. C. Zamindar
