My dear Mr. Masani:

During my last stay in Bombay on 8th and 9th I missed you as you were away to Calcutta.

You are no doubt aware of the letter circulated amongst all the Members of the National Executive by Mr. Dandekar regarding the proposed resignation of all the Committee Members and the re-election of entire Committee including the President. It appears that this matter has caused some controversy amongst some Members of the National Executive. This was one of the important points that I proposed to discuss with you to have your guidance. I have not yet taken any action in the matter. If I may be intimated of your views on the subject without any embarrassment to you, it would be helpful.

Do you have any programme of visiting Delhi in the near future.

With kind regards,

Yours sincerely,

(D.N. Patodia)
