My dear H.M.,

On returning to Bombay from abroad two or three days back I received your letter of October 15 and the kind invitation to me to attend the various meetings in Baroda. Unfortunately, the dates are most inconvenient in so far as I am concerned as I have promised to be in Nasik to observe ~~the~~ Leslie Sawhny Programme's "Outward Bound" course which we are experimenting ^{with} for the first time. As Honorary Secretary of the Programme it is essential that I should be there. Also on Friday the 5th I have engagements in Bombay which it will not be possible to avoid.

In view, however, of your kind insistence, I have arranged to be present at the General Council meeting in Baroda on Saturday, November 6. I fear I shall have to miss the other two meetings. If by any chance things become a little easier, I shall try and attend one or the other of these.

With kind regards,

Yours sincerely,

(M. R. MASANI)
