My dear Shri Masani,

Yesterday Sardar C.S. Angre had a detailed discussion with me. He told me that you have a knack of making enemies and that Vajpayee and Smt. Sindhia have become your enemies. This might be a bluff. He is capable of sowing seeds of quarrel and misleading persons. He expressed sympathy with me. I told him that I have very friendly relations with you. The Swatantra Party is a secondary thing for me. I did not need any sympathy and am not joining any Party. I am writing this to you in confidence.

I am sorry that due to heavy pressure of work you have not replied to my previous letters.

Hope you are all right and doing well.

P.S.

Pl. send a copy
of your report
on general elections.

With best regards,

Yours sincerely

N.C. Zamindar
