My dear Maharaja Sahab,

I received your letter of October 23 asking for some authoritative figures about the votes polled for various Parties and the seats obtained in the Lok Sabha. I forward herewith a mimeographed statement which is based on a report in the Times of India of March 31, 1971, of the figures issued by the Election Commission of India. These are quite authoritative and dependable and you are welcome to use them. I hope this material will be of use to you.

Kindly convey to Maharani Saheba my kind remembrances and accept my regards for yourself,

Yours sincerely,

(M. R. MASANI)

His Highness Maharaja Natwarsinhji
of Porbandar,
