My dear Minoo,

I had no idea about your cataract operation till I spoke to you this morning. I trust you are well on the way to recovery.

I am enclosing certain extracts from a leading book on freedom of speech which I think will be of assistance to us in arguing the writ petition. Please pass them on to Navroze .

I am leaving for Paris this evening in connection with a matter before International Chamber of Commerce. I will be in Bombay on the 30th and the 1st. If not inconvenient I would like to have a preliminary conference with Navroze and Dharmasukh. On my arrival in Bombay I will give you a call so that we can fix a time convenient to all.

With warm regards,

Yours sincerely,

Soli
