Dear Minoo and Sheila,

Prettige feestdagen en  
een in alle opzichten  
positief 1991!

Many thanks for your card. Femke  
and I also wish you a happy and  
prosperous 1991! How we'd like to  
visit you. But I have now been made  
leader of my party and, since we're in  
the opposition, that makes me leader  
of the opposition: a position Minoo  
knows well. So I'm kept busy. But  
as soon as we find the time we'll  
visit you. Until then, all our best  
wishes for the two of you!
