Dear Sir,

In spite of my earlier protests, it seems your office is still determined to harass me with a bill that has nothing to do with me. I, therefore, return your bill for Rs 3646/-.

In this connection I refer to my earlier correspondence in this matter where I have stressed that this jeep is neither in my ownership nor in my possession for the last twenty years.

Please do not send me any more bills in this connection.

Yours faithfully

(N.R. Masani)
