Dear Sir,

Re: MRZ 8939

I am sorry that my letters seem to have no effect on your office. On 6th May 1985 and once again on 5th September 1986 I had written to you in regard to vehicle MRZ 8939 showing that no taxes were due from me in respect of this vehicle and requesting you not to write to me again about it. But I have once again received your Bill No. MRZ-8939-860901 dated 1.9.1986 for the period September 1986 to August 1987 for Rs. 3,346/00 which I am returning herewith. I once again reiterate that this car did not belong to me, has not been in my possession and is not in my possession since 1967.

Yours faithfully,

(M.R. MASANI.)

Encl: Bill as above.
