Dear Sir,

I am surprised to receive from you bills for arrears of tax due on vehicles MRA 4024 and MRS 4093. My surprise is due to the fact that I have written to you in this connection at least once or more often and full information has been given about this matter.

Both these vehicles are jeeps owned by the Swatantra Party and not by me before the Party was dissolved and both these vehicles were disposed of by the Swatantra Party many years ago.

MRA 4024

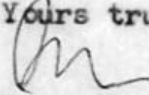

If you will refer to my letter of February 8, 1977, addressed to you regarding Jeep No. MRA 4024 you will find that it was explained that the vehicle was sold on 3rd May 1967 by the Swatantra Party to Tata Services Limited and sent to Bhubaneswar for the Tata Iron and Steel Company Limited.

MRA 4093

If you will kindly refer to my letter of November 12, 1979, you will find that it is explained in that letter that the vehicle MRA 4093 was sold by the Swatantra Party as far back as December 1979 to Mr. P.K. Deo in Orissa, and due notice was given to you of that transfer.

You will therefore see that nothing is due from me in respect of either of these vehicles. I would request you to see that I am no longer harrassed in this connection in future.

Yours truly,

(M.R. Masani)
