My dear Shri Raju,

Thanks for your letter dt. 9-11-1979.

The jeep in question is not with me. It must have been with Shri Ghasiram Majhi, the then Secretary of Swatantra Party. He will be able to provide you with further details. At present Shri Majhi is the Minister for Health in Orissa (Lok Dal). Any way I do not ^{want} to embarrass you. Kindly send me a draft letter ⁶ indicating therein as to how I shall address the R.T.O., Bombay. At the same time I request you kindly to cause an enquiry from Shri Ghasiram Majhi, Minister, Health, Govt. of Orissa Bhubaneswar.

Yours sincerely,

(P.K. Deo)
