Dear Mr. Sinha,

Thank you for your letter D.O.No.REV/MVT/
A-597/65/1334 dated February 27. I am grateful to
you for your guidance in the matter.

I am now researching into the past which is
a lengthy process and will let you have a definite
reply within the next few days showing that no tax
is payable by me and that the entire proceedings are
misconceived.

Yours sincerely,

(M.R. MASANI.)
