Dear Sir,

I was surprised to receive your traffic offence notice No.3029553 of July 1, 1975, in respect of Jeep No.MRG-2347 which is reported to have been involved in a traffic offence on June 6.

I have never been the owner of any such vehicle but it is true that several years ago when I was the General Secretary of the Swatantra Party, various jeeps belonging to the party happened to be registered in my name as the General Secretary of the Party. All those jeeps, without exception have been sold by the party to various individuals and organisations several years ago. I myself ceased to be an office bearer of the Party in April 1971.

I would therefore suggest, if you so desire, that you may write to the office of the Bharatiya Lok Dal, 143 Mahatma Gandhi Road, Bombay, who are in possession of the relevant records and may be able to help you to find the present owner.

Yours truly,

(M. R. Masani)
