Ex Secretary of the Swatantra Party.

Dear Sir,

With reference to your letter dated 27th November 1974 addressed to Mr. M.R. Masani, I have to reply to the same as follows.

I resigned from my position as Executive Secretary of the National Headquarters of the Swatantra Party with effect from 1st January 1974. My place was taken by Mr. V.P. Bhatia who took on as Executive Secretary from that date.

The vehicles were registered in the name of the Executive Secretary. It is for Mr. Bhatia now to attend to the question of recovery of motor vehicle dues, as the papers and documents relating to these vehicles are with him. You may kindly therefore pursue the matter with him.

I have passed on your letter referred to above and the enclosure to him along with a note, copy of which is attached.

Yours faithfully,
