Dear Sirs,

Sub: Jeep No. MRA - 4095

It will be recalled that you had written to our Cement Marketing Division, Calcutta, sometime last year, that the above jeep was registered in the name of Mr. M.R. Masani, who was being pressed for payment of vehicle taxes from July 1967 to 1970 by the Collector and R.T.O., Bombay.

2. Since this vehicle was sold to our Organisation in May 1967, you wanted us to confirm that neither you nor Mr. Masani are liable to pay the taxes, which we hereby do.

3. For your information, we may further mention that the vehicle is now transferred in the name of the Manager ACC Ltd., Lakheri Cement Works and its new Registration Number of Rajasthan is "RJG 1543".

Yours faithfully,
for The Associated Cement Companies, Ltd.,
Operations & Rehabilitation Division
