Dear Mr. Masani,

I am in receipt of your letter of the 19th October, 1984. I have been able to find a letter in my file addressed to the Regional Transport Officer, which I had written in 1976 which is self explanatory. This is the only information I have on hand with me. I would suggest, if you could kindly write to the R.T.O. and explain to them that these vehicles were bought for the election and it will be very difficult for you to locate them now. If there is anything else please do let me know.

With kind regards,

Yours sincerely,

For the kind attention of Mr. Udvadia

Dear Sir,

This is in context to the telephonic conversation the undersigned had with you this morning about the various vehicles which were bought by the Swatantra Party under various individual names. The Swatantra Party has now merged into the Bharatiya Lok Dal.

As explained to you over the phone, I had personally met Mr. S.R. Tracy and informed him about the situation of the vehicles and he advised me to write a letter to him giving him the necessary information. A copy of the same is being enclosed herewith for your ready records. This letter will give you all the necessary details as to where the vehicles were sent at the time of the general elections in 1971.

The 5 notices received by us are being sent herewith for your records.

Thanking you,

Yours truly,
