All these vehicles were registered in January 1971, and immediately dispatched to the destinations mentioned above from the works of Mahindra & Mahindra.

These vehicles were registered and the registration charges and wheel taxes were collected at the factory of Mahindra & Mahindra itself. None of these vehicles ever came back to Bombay as they were all sold away in whichever areas they were sent.

We are sure that you will have the necessary corrections in your records and the notices issued against all these vehicles will be treated as cancelled.

Thanking you,

Yours truly,

(V.P. Bhatia)
Executive Secretary.
