My dear Kusum Behn,

I have seen a copy of your letter to Morarji Desai and some notes about reasons for our defeat etc., which you have been good enough to send me. Your analysis is, like the proverbial curate's egg, good in parts! I hope you feel better for having got it all off your chest!

You must have by now received from the National Headquarters notices of meetings of the National Executive on the 16th of April and of the General Council on the 17th and 18th in Bombay. Now that we have fixed these meetings in Bombay to enable you and other friends to attend and not in Madras as was originally proposed, I do hope you will make it a special point to come.

Yours sincerely,

(M. R. Masani)
