The President put forward a suggestion that we should sponsor a civic group for the forthcoming Municipal Elections. He explained that this was hinted to some members of the Party and said that those who accept Swatantra Principles could be given ~~party~~ tickets on condition that they would not join any other political party after the election. Views from members were invited later. After lengthy discussion, it was unanimously decided that:

" The Swatantra Party should sponsor what can be described as a " SWATANTRA CIVIC GROUP" which would consist of members of the Swatantra Party and others who may subscribe to the manifesto which may be published by the Swatantra Civic Group. Those who will contest the elections under the auspices of the Swatantra Civic Group will be required to adopt Swatantra symbol. Anybody who accepts this, whether he be a member of the Swatantra Party or not, will be given the symbol. The group will be headed by Dr. Simon Fernandes , Leader of the Swatantra Party in the Corporation."
