18th November 1972

Dear Mrs. Datar:

The Executive Committee of the Swatantra Party, Bombay Region, at its meeting held on Monday, the 13th November 1972 unanimously passed the following Resolution:

" The Executive Committee of the Swatantra Party, Bombay Region, accepts with regret the resignation of Mrs Sarla Datar, as Joint Treasurer of the Region, due to her inability to spare time to do justice to her assignment. The Committee places on record its appreciation of the valuable services rendered by her during the tenure of her office and hopes that she will continue to take the same interest in the Party as hitherto"

I do hope that though you will no longer be the Jt. Treasurer of the Region, you will continue to take the same active interest in the Party in the months and years to come.

Yours sincerely,
