Dear Sir:

The Executive Committee of the Swatantra Party, Bombay Region, at its meeting held on Thursday, the 30th September 1971 unanimously passed the following Resolution:

"This meeting takes note of the excellent services rendered by the immediate Past President of Bombay Region, Shri. Lalchand Hirachand. The Party is especially appreciative of the fact that though he is an extremely busy man and preoccupied with his various industries, he still found time to associate himself actively with the Swatantra Party and gave to the Party his invaluable guidance.

This meeting directs the General Secretary to convey to him the text of this Resolution with a request that he may continue to assist the Region with his valuable advice".

We look forward to your continued guidance and advice towards strengthening our Party and fulfilment of the objectives and ideals the Party stands for.

Thanking you,

Yours faithfully,

He
